COLMAR

LIVING, DINING & BEDROOM

Everywhere in your home can benefit from some French-inspired elegance and timeless sophistication with this gorgeous collection of living, dining and bedroom furniture.

Every piece is crafted from oak, then distressed with a oak limewash finish to give it a timelessly chic appearance that will be just as at home in contemporary decors as it will in more traditional settings.

There's plenty of detail to admire – tapered cornices, rounded corners, beading around the doors and drawers, groove detailing and curved edges – but it's never overly fussy. And of course, the whole collection is designed to be durable enough for the practical demands of modern life.

BRANFORD PAINTED BEDROOM COLLECTION

Everyone deserves a good night's sleep so creating the right atmosphere in your bedroom starts with the furniture you choose. We think simplicity is key and, with that in mind, took inspiration from Shaker furniture when designing the Branford Painted Bedroom range.

We've given every piece a restful paint finish that will blend with any décor, and a waxed oak and oak veneer top that adds warmth and character. We've kept the designs simple, with no unnecessary adornment but we've softened the clean lines with elegant tapered legs, curved edges and rounded corners. And we've also supplied both metal and wooden door and drawer handles so you can decide how best to finish things off.

With a variety of beds, bedside cabinets, wardrobes and chests of drawers to choose from, we've made it easy to put together your perfect sanctuary from the stresses of the day.
